Chairman's Overview 2020

This last year started off on a quiet note. Mr Worrall kindly offered to repair and paint the old telephone box that we had purchased for £1.00 from BT now that it had become redundant. After a very kind, but anonymous donation, it was decided to purchase a defibrillator and install it in the old telephone box. This is now up and running.

We continue to complain about the state of the roads around the village and despite feedback from the County Council nothing seems to happen.

Regarding the cemetery, we now have a rubbish bin that is emptied by the Council in the hope the area is kept clean and tidy. More importantly at long last, after many years of trying, we now have planning permission to extend the cemetery once a few conditions are met. This is excellent news as the original cemetery is fast running out of available plots.

After a dry summer, this autumn and winter became very wet and just before Christmas the Gypsy Race started to flow. Not wishing for a repeat of the 2012 episode plans were dusted off and contacts made with officials at the Council as they monitor the water levels just outside the village. Fortunately, the water levels did not come high enough to flood onto the highway or cause residents any inconvenience. Folklore tells us that when the Gypsy Race flows it foretells bad fortune will follow. This happened before the Great Plague in 1664 and before both World Wars. Little did we know that by the turn of the year, coronavirus would have emerged and would affect us all. With the lockdown in force, all our lives have changed, but in true Burton Fleming spirit help was at hand for anyone who needed it, organised by Mrs Mandy Miller and her group of helpers.

As we are still in lockdown it only leaves me to wish you all the very best, stay safe and look to the future.
