---

**61/23 To Receive and Approve Apologies for Absence**

**62/23 Code of Conduct (01 July 2012)**

(a) To record Declarations of Pecuniary and Non-Pecuniary Interests. Members declaring interest should identify the agenda item and state which interest is being declared.

Cllr S Wells declared a pecuniary interest in the main agenda item, planning application ref: 23/00580/PLF

(b) To note Dispensations in Respect of Agenda Items Below

**63/23 Public Participation**

The Chairman welcomed everyone to the meeting and invited members of the public and councillors to view various planning documents and ask questions regarding the application.

Mark Wilson from Boythorpe Wind Energy (the company supplying the new wind turbine) displayed a photograph showing the existing wind turbine against the new turbine for comparison. Various questions were asked of Mark about the technical aspects of the turbine.

Sam Harrison the Rural Planning Consultant from Ian Pick Associates Ltd, answered various questions surrounding the planning application details.

**64/23 To Receive and Consider Planning Applications and Approvals as Listed Below (and subsequent plans received following publication of agenda)**

**23/00580/PLF – Installation of a wind turbine (height to hub 39.7m, maximum height to tip 63.2m, blade diameter 47m) to replace an existing wind turbine (repowering) at Land South of Burton Fleming Grange, Wold Newton Road, Burton Fleming**

**RESOLVED: (5 in favour, 3 against)**

(1) that the following statement be submitted to the planning department:

Burton Fleming Parish Council accept this planning application but request that the agent ask the ERYC planning department whether the wind turbine could be repositioned further away from residential properties, with a view to reducing any potential noise disturbance for local residents.

**Proposed by Cllr S Kirven and Seconded by Cllr T Stansfield**

**65/23 Close of Meeting**

The Chair thanked everyone for their attendance and declared the meeting finished at 8.30pm.
