

BURTON FLEMING NEWSLETTER

Welcome spring and summer in Burton Fleming. Lots of hedgehogs are coming out of hibernation, looking for mates and food supplies.

If you are able to keep your hedgehog food stations, in and around the village, running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink, it would be very much appreciated. We still have two houses available if anyone would like one for their garden.

ADVICE ON WHAT TO DO WITH A HEDGEHOG IN NEED OF HELP

As well as providing access to roam, here are some other things to do to help hedgehogs:

- Before using a strimmer, make sure the area to cut is clear.
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Move piles of rubbish to a new site before burning them.
- Ensure netting is kept at a safe height.
- Check compost heaps before digging a fork in.
- Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.
- A hedgehog lying in the sun wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel.
- Call Ali 0773 405 3699, Jo 0771 755 2624 or Debbie & Ben 0779 147 3576 for assistance.

Thanking you all for supporting Burton Fleming Hedgehogs.

A FEW WORDS FROM ME

First of all, a profound apology for not mentioning Ukraine in my last letter. The news-sheet had gone to print before all the turmoil broke out. Needless to say we have been praying for them daily.

Sometimes, it's difficult to know exactly what to say about a certain situation and I feel like that at the moment.

I know I should be able to offer some deep, profound insight into the events of the past few weeks, but quite frankly, I'm astounded and shocked beyond belief at what is happening over there and in our world generally. I am appalled at the behaviour of the president of Russia, how he can decimate a sovereign, independent country is beyond belief. All we can do is pray and in the words of the prophet Isaiah chapter 35: verse 4: Say to those who have an anxious heart, "Be strong; fear not! Behold, your God will come with vengeance, with the recompense of God. He will come and save you". I shall continue to pray for Ukraine and for our world which is so sad and war-torn in many other desperate places.

Easter will soon be upon us, when we think of our Lord Jesus being accused, betrayed and beaten and hung on a cross to die, BUT God stepped in and we have the joy of Easter Day when Jesus was raised from the dead and promised eternal life to all believers. Throughout our troubled world, the light of Christ is a shining light of hope that will never be extinguished.

Love & blessings,
Revd Barbara
