### A FEW WORDS FROM ME

Dear Friends,

We are still facing challenging times, and at times hope can seem far away. At this time in the church's year we are moving through Lent towards Good Friday and eventually Easter. On Good Friday, which this year falls on 7th April, Christians remember Jesus' death on a cross. The cross was a Roman instrument of torture, used to punish and deter criminals.

On the first Easter morning, no one was expecting Jesus to rise from the dead. After all, this kind of resurrection had never before happened in the history of the world. In his Resurrection, Jesus came alive never to die again and to fill us with hope. God had done something completely new by bringing his Son back from death to new life which would go on for ever. That is why Easter Day is the most joyful day in the Christian calendar. God promises his followers a share in that eternal life. It is central to the Christian faith.

Love & blessings,  
Revd Barbara

## PARISH COUNCIL NEWS

### Biennial Village Walkabout

The biennial village Taskforce walkabout is due to take place on Monday 22 May 2023.

'Walkabouts' give parish council representatives a formal opportunity to identify routine work to be carried out by the village taskforce team within the built-up part of villages i.e. between village nameplates, and are held biennially. Items of work identified on the walkabout, which fall within the scope of work the teams can do, will be carried out according to priority during their regular visits and will be completed by the end of the grass cutting season. The basic tasks which can be undertaken by the village taskforce teams include: minor pothole repairs, street asset painting, sign repair and washing, and the cutting back of overgrown vegetation. As in previous years any issues raised by the parish council on the walkabout which are outside the scope of what the taskforce team can deal with will be noted and referred to the relevant section for their consideration. It has to be appreciated though that, due to the present financial constraints, these can only be addressed on a priority basis and no guarantee can be given that work will be undertaken.

If anyone has any relevant concerns they wish for the Parish Council to raise at the Walkabout, then these should be sent to the Clerk by no later than close of play, Friday 12th May 2023. Please email [clerk@burtonflemingpc.co.uk](mailto:clerk@burtonflemingpc.co.uk) or send via post to: Clerk to Burton Fleming Parish Council, 5 Weldon Court, Weaponness Park, Scarborough YO11 2UA
