BURTON FLEMING NEWSLETTER

IMPROVEMENTS TO THE VILLAGE HALL

GREAT NEWS - We have received funding from **THE LISSETT WIND FARM FUND** and the **4GOODfund**, supporting Community projects. Together with funds we have raised over the past 2/3 years we are able to replace all windows and doors and lay a complete new maple wood floor. The windows will be completed by April and the new floor will be laid during June. There will be a double door access onto the Car Park which will enable additional access for outdoor events and marquee extensions. The floor will be completely level and will enable more availability for example for the hiring of dance and sports activities.

KEW GARDENS *GROW WILD*; The East Riding Association of Village Halls have succeeded in obtaining a small grant to acquire plants etc. to enhance the outside of several village halls of which we are one. Would you/your family/friends like to help by spending a morning or afternoon or both, for a fun planting day, date to be decided. Refreshments included. Please ring me if you are interested, Kate 01262 470556.

YOUR NHS SERVICES ARE CHANGING IN DRIFFIELD

East Riding of Yorkshire
Clinical Commissioning Group

Please be aware that Drifffield Minor Injury Unit will be closing permanently on Tuesday 3 April at 6pm and be replaced with Drifffield 8 to 8 Centre, open from Wednesday 4 April 2018 8am - 8pm daily.

If you have an urgent injury that is not serious, life or limb threatening, you first need to contact NHS 111. They will ask you a number of questions to decide what advice to give you or the most appropriate place to go for treatment. They will arrange an appointment at your nearest 8 to 8 Centre or Urgent Treatment Centre depending on where is most suitable for your injury.

Alfred Bean Hospital will continue to provide planned, non-urgent care to local people

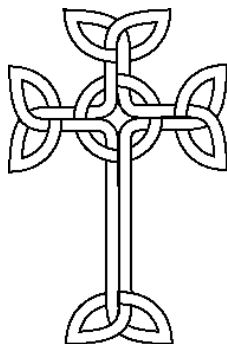

Your nearest 8 to 8 Centre is:
Drifffield 8 to 8 Centre
Alfred Bean Hospital
Bridlington Road,
Drifffield, YO25 5JR
Open 8am - 8pm daily

Your nearest Urgent Treatment Centre is:

Burton Fleming History Group were presented with a talk by Dr. Andrew Woods, Senior Curator at the Yorkshire Museum, York. The subject was the Wold Newton Coin Hoard which was found by metal detectorists in a field somewhere outside Wold Newton. There have previously been various concentrations of metal detector finds across the Wolds but this was to be the largest hoard ever found in Northern England. The hoard itself was found in a buried ceramic vessel packed with one thousand eight hundred and fifty-eight Roman coins. The find was recorded as treasure and went to the British Museum for x-ray and "excavation" to extract the coins from the vessel. Because of the coins good condition, the team were able to determine the exact period, 293AD and 305AD, when they were struck and issued. Between them they represented ten different emperors. From one crucial coin representing Constantine the Great as a Senior Emperor they were able to deduce that the Hoard was buried in late 307AD and early 308AD. The way the coins were layered in the vessel, with earliest coins at the bottom and later coins at the

top, suggested that the coins were probably savings either of one quite wealthy person or the savings of a small community. To give a sense of worth at the time the coins equate to the equivalent of a labourer's wage for six years or a carpenter's wage for three years. Why the coins were abandoned there we do not know but hopefully time and future investigation may develop more clues. The fact that the hoard was buried at the time of military and political uncertainty may be the reason the coins were never recovered at the time. 1700 years after they were buried the coin hoard can now be viewed on display at the Yorkshire Museum in York. After the talk the secretary reminded the Group of the arranged visit and guided tour of Scarborough Castle, with afternoon tea, on the afternoon of Thursday 26th April. Names, with money, required on or before 19th April. Our next and last talk of the present season is on Thursday 19th April when Dr. Peter Asquith-Cowans speaks about "The Influence of the Vikings in East Yorkshire". Any enquiries phone Bruce 01262 401147.

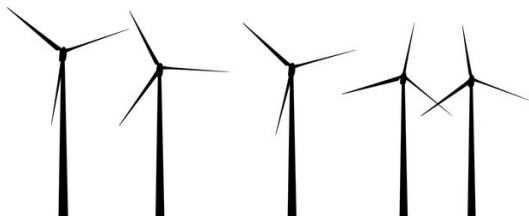

Burton Fleming Parish Council News

Lissett Wind Farm Fund

The Lissett Community Wind Farm Fund Panel have allocated an amount of money for the security of homes in the area. The fund has already secured over 200 homes and there are now funds available to secure more.

The project aims to reduce burglaries in dwellings and non-dwellings, reduce the risk of re offending, and residents' fear of crime. It will involve carrying out home security assessments and the supply and fitting of home security equipment to dwellings and outbuildings.

To be referred, or to nominate a neighbour for referral, contact your local Parish Council.

PARKING AT JUNCTIONS
A reminder to motorists that it is against the law to park opposite or within 10 metres of a junction. Parking too close to a junction is extremely dangerous for both drivers and pedestrians. Please give consideration to both the law and other road users when parking your vehicle. Thank you.

We have been advised by the Environment Agency that the Floodline telephone number 0845 988 1188 is being deactivated on 1 April 2018 with only **0345 988 1188** being available.

Next Parish Meeting

The Annual Parish Council meeting (including the Annual Parish Meeting) is to be held on 8 May 2018 at 7.00pm in the Village Hall.

This meeting is the AGM of the Parish Council and the Election of Officers will take place at this meeting. This will be followed by the opportunity for members of the public to put forward any concerns or requests to the Parish Council regarding the village for the coming year. Parish Council Meeting No 1 - 2018/19 will follow on from the Annual Parish Meeting on the same evening, 8 May 2018.

Should you wish to report any concerns, make comments, or submit items for discussion at future meetings, please do not hesitate to contact Jennifer Hobson (Clerk) during office hours on the following details: Tel: 07542874957, Email: clerk@burtonflemingpc.co.uk

VIEW FROM THE VICARAGE

Dear Friends,

Did you remember to put your clocks forward? Spring forward, Fall back. American, I know, but it does help me to remember which way to do it. It means that the evenings stay lighter and Spring becomes real to us although I do think that our seasons have become somewhat muddled. Maybe I am too nostalgic and remember Spring just as breezy, warm days that brought new life into the world. Flowers, leaves and lambs, not snow and ice and 'the beast from the east'. Such was the happy time I lived in.

This makes me think of the land where Jesus lived, a hot, dry land where the sun shone almost non-stop. There were no seasons like ours and many places were desperate for water, as, indeed, they are now. Some have not had water for three years and some places, where there is water, are strangulated with.....'plastic'..... I watched a tv programme recently about the dreadful amount of 'plastic' items that are thrown away every day, the oceans that are virtually filled with 'plastic', the landfills full of 'plastic'. I was shocked and appalled, so I shall try to limit my use of 'plastic' though it will be very difficult, I will make a real effort....will you?

with love & blessings,
Revd Barbara
