Burton Fleming Hedgehog News

All hedgehogs should be wrapped up snugly HIBERNATING at this time of year!

Please can you ensure to keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink if they should come out of hibernation, this is likely with young hogs and with the changing of weather conditions.

Please keep an eye out for our hogs during these WET and COLD conditions and if you need any hedgehog assistance call Ali 0773 405 3699 or Jo 0771 755 2624.

REMEMBER if you find a hog at this time of year wrap it in a fleece and call us immediately!

Happy Christmas!

Thank you in advance, Ali Blyth

PARISH COUNCIL NEWS

Invitation to Participate in Flood Warden Project

East Riding of Yorkshire Council is planning to implement a new initiative. Following the extremely wet winter season last year, the Council has identified several locations that could benefit from the presence of local flood wardens. These wardens would serve as 'eyes on the ground' and act as a reliable source of information for the Council. Your parish has been identified as one of these key areas.

The responsibilities of the flood wardens will include:

- Championing flood resilience within the community.
- Monitoring watercourse levels and reporting when they exceed predetermined trigger points.

Activating flip-down signs to alert motorists of water on the highway when necessary.

The flood wardens will be provided with comprehensive training and personal protective equipment (PPE) as part of their volunteer role. Further details outlining the role of the flood warden are available upon request from the Clerk. Please email clerk@burtonflemingpc.co.uk if you are interested in becoming a flood warden for Burton Fleming.

Parish Precept

The Parish Precept and proposed budget for financial year 2025/26 will be considered at the next Parish Council meeting. If residents have any thoughts or ideas for any suitable improvements or enhancements in the village, please let the Clerk know by 20 December 2024 so that they can be included in the draft budget if appropriate.

Gypsy Race Annual Inspection Walk

The annual inspection walk of the Gypsy Race took place on Saturday 16th November. There were no major issues but could riparian owners double-check their section as there was some debris and tree saplings which may cause a problem if it flows.

Riparian Ownership

Riparian Owners are reminded of their responsibilities. Such responsibilities include:

- allowing water to flow through their land without any obstruction, pollution or diversion which affects the rights of others;
- accepting flood flows through their land, even if these are caused by inadequate capacity downstream;
- keeping the banks clear of anything that could cause an obstruction and increase flood risk, either on their land or downstream if it is washed away;
- maintaining the bed and banks of the watercourse and the trees and shrubs growing on the banks and clearing any litter and animal carcasses from the channel and banks, even if they did not come from their land

A FEW WORDS FROM ME....

Dear Friends,

Well, planning for Christmas seems to come along earlier and earlier and that applies to the Church too. I always wonder why we limit our seasonal celebrations to Christmas only when they could be sustainable across the year with, for example, our loved ones, family, neighbours, community, schools and church? The impact would be immeasurable - reaching beyond the boundaries of our villages if we are open to doing something new.

The spirit of Christmas demands that we live out the Christian characteristics daily to become the shop window of our faith in Jesus Christ. Christmas thus becomes a portable life-giving attitude for taking

anywhere on this practical road of life. Also known as the Lord, the Messiah, the Saviour of the world. He is recognised as a baby lying in a manger and wrapped snugly in strips of cloth. He was the light for people who walked in darkness, a light that shined on all where death casts its shadow, and He is the light of the world.

Christmas is thus a timely reminder that we are not just celebrating the birth of Christ but the enduring outcome of His humanity in the last three years of His life, which reached the outer limits of earth over 2,000 years to date. And the words of Jesus are still impacting the lives of many.

I do hope that you will be able to join us in one or more of our Christmas Services in our Benefice churches celebrating the birth of Christ. That, in joining us, we begin a new journey open to new faith discoveries beyond the bible words read and Christmas Carols sung. So, may I wish you and your families peace, goodwill and love this Christmas season and a very happy 2025.

With love & blessings,
Revd Barbara
