

BURTON FLEMING PLAYGROUND

The Playground AGM will be held at the Burton Arms on Friday 3rd December at 6.30.

All welcome, this is a very informal meeting with children encouraged to come and join in.

Many thanks to all those who supported the playground over the last year. Especially to Anita and her team for running excellent refreshments for the Vintage car run and the Playground Committee for their hard work. A special thanks to Mr Sleightholme for donating woodchips and all those Friends of the Park who continued to support this valuable village amenity.

The swing has been repaired and we are trying to source some suitable timber for replacing some of the stepping stones in the coming months.

Please feel free to contact Jim on 07523 286082 with any issues with the playground or the footpath (or if you find any sheep which have escaped).

The footpath will be closed for a week from the evening of the 3rd December as usual, sorry.

Kind regards
Burton Fleming Playground Committee.

BURTON FLEMING VILLAGE HALL NEWS & DIARY OF EVENTS - DECEMBER 2021 & JANUARY 2022

The Management Committee would like to wish everyone a very happy Christmas and a healthy and peaceful New Year.

The hall is now open for all activities, restrictions will no longer apply. However government guidance on Covid-safe measures will continue to be observed. This is because the Government is now stressing the need for people to "make informed decisions and act carefully and proportionately to manage risk to themselves and others". We will still maintain well-ventilated spaces, voluntary social distancing and we shall also continue to have a QR poster up. Hand Sanitising stations will remain in place, face coverings are now optional and a more frequent cleaning regime is in place.

The monthly Lottery we now have 142 numbers in the bag, the highest since it was started approximately 30 years ago and more participants will be joining in the New Year. Thank you for your support.

A FEW THOUGHTS FROM ME

Dear Friends,

Two big celebrations form part of this newsletter. The first - Christmas - very important to me as a Christian, and secondly the start of a new year - important to us all.

Christmas is a time of giving, to each other, and to ourselves as well. I know that might sound strange, but I do think that we forget to give to ourselves. By that I mean - TIME. Time is so precious, especially at this time of year. There are just not enough hours in the day, are there? We dash around buying extra food, presents, cards, writing them, wrapping them, sending them off in the post at exorbitant prices. We do it every year don't we; I'm just as guilty. So I'm asking you to take some TIME out for yourself. It might mean a walk, it could be a drive out, a visit to folks you haven't seen for a while or even a G & T!! Whatever gives you a break, do it, it is your gift to yourself.

A New Year - where did the last one, or even two years disappear to, under the shadow of Covid, I guess. But a new year brings new hope, new adventures, new horizons to discover, so grab your opportunity to do something different, to break the mould in 2022 we must still take care, be alert to the dangers of Covid, but we must not let it define us.

As a Christian I believe that God is watching over all of us, that we must follow Jesus' command to love one another and to know that the Holy Spirit will guide us.

So I trust that you will have a happy Christmas and a jolly 2022, leaving TIME for yourself to re-charge the batteries, ready for the new challenges ahead.

Love & blessings,
Revd Barbara xx

BURTON FLEMING VILLAGE HALL NEWS & DIARY OF EVENTS - DECEMBER 2021 & JANUARY 2022

November Coffee Morning broke all records raising £240.00. There was a great atmosphere, lots of socialising and plenty of people meeting up for the first time in many months. Thanks go to all the helpers: setting up, cooking, selling books/bric-a-brac/raffle tickets/produce/washers up and cleaning up, we shall repeat it every month. This money is added to our Improvement Fund. Our next big challenge is to re-organise and update the toilets, which will also create a much needed storage space. We hope to have this completed springtime next year.

Farmer Ed's Pumpkin Patch was a new venture and the hall was in use for most of the time due to, unfortunately, bad, wet weather. We, the village hall, were responsible for serving up tea and lovely home-baked cakes at the weekends. We had a team of 7 ladies, for which we thank them for all their help. In total we raised £340.00, including the rental fee for the hall. A lot of fun was had by all that attended.

Christmas Whist Drive - following on from our pre-covid, ever-so-popular whist drives, we are holding a CHRISTMAS one on the afternoon of Thursday 2nd December, 2-4pm, £3.00 including refreshments. There will also be a raffle, open to all.

Chairaerobics/Indoor Bowls have all started off with great success. Please come along and give them a try as they are also a great social event with voluntary social distancing and well ventilated spaces. Both include refreshments and allow you to have a chat to people you do not see often.
