

GENERAL NEWS FROM HUNMANBY SURGERY

There is now a newsletter called HUNMANBY SURGERY GRAPEVINE and although it was issued 2019/2020 there are several items which may be of interest to Patients. A very important point is that Flu jabs are still available to all those over 65 years as are children's Flu Nasal Sprays. All carers should have the flu jab if caring for people with long term illnesses and we are told that having the jab does not give you flu.

Please contact the Surgery if you are unable to attend your appointment as in November 24 Doctor's appointments were not attended and 51 appointments made with the Health and Nursing staff were missed. This is a serious problem and very unfair to the Medical staff and to poorly patients waiting to get appointments or attention at the surgery.

Before you see a GP please think about your symptoms and what is important as the 10 minutes allowed for your time with the Doctor is easily taken up with one problem. If you think you need a longer consultation please discuss this with the Receptionist.

Home Visits may be requested if you ring before 10-00am. but can only be made if you are housebound, too ill to come to the surgery or if your medical condition necessitates it and the level of urgency. If the GP refers you to a Community "District" nurse they may also visit you at home

If you are able bodied please utilise the on street parking facilities as the space directly in front of surgery 1 is for disabled **patients only**. There is an issue at the moment with members of the public parking outside the surgery and going shopping in the village..

Please be aware the Surgery closes for lunch from 1-00pm to 1-30pm daily - Thank you

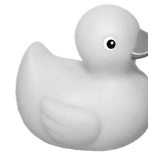

BURTON FLEMING NEWSLETTER

Burton Fleming Playground.

Many thanks to everyone who supported the Friends of the park in November. The amount collected was an amazing £822.87 which will support the playground for another year and hopefully build up a fund for replacement of equipment in the future as it is starting to age. A copy of the accounts are available to anyone who wishes to read them, just give me a ring on 470850.

The playgrounds insurance has been paid for the coming year and an inspection of the equipment is due at the end of January. The insurance and inspection are required for the safety of the children/adults who use this excellent village facility.

We are hoping to hold the Famous Burton Fleming Duck race in the coming months due to the return of the Gypsy Race. It is always a difficult task to organise the duck race as ideally we would like to have good weather for everyone who supports us but also if we leave it too late we may have no water to run it. Please keep an eye out for posters and posts on social media. If anyone with a better knowledge of the Gypsy race and has a better idea of how long it will run, I would love to hear from you.

A group of hardened people from the village went out Carol singing accompanied by John and his euphonium. This was a great success and supported well by all those who had to listen to us singing. I am afraid we only managed to do half the village, but intend to repeat the performance next year. Anyone who would love to join us are very welcome. The Carol singing raised £162 which was split between the Save the Children and the playground.

After the success of the Fun run organised by Amy, Suki and Phoebe for their lifestyle project with Humberside Police, we intend running the event again in the summer.

Many thanks to everyone who came to the AGM. It is wonderful to see so much support for this important village amenity

Many thanks for everyone's continued support and a very Happy new year.

YOUR PERSONAL BANK ACCOUNT

Imagine that you have a bank account which gives you £86400 every morning when you wake up. Whatever you don't use up during the day gets taken back. Question: what would you do with the money?

Of course you would spend every £ on your own pleasure and that of others whom you love. You would devour every penny from this magical bank, take the opportunity to make everyone around you as happy as you could with it. Maybe you'd even end up giving some of the money away to those who you didn't know - because you probably couldn't spend all of it on yourself and those close to you in one day.

So what am I getting at? Each of us has such a bank - its name is TIME, the horn of plenty which is constantly pouring out the seconds of your life.

Each morning it credits you with 86400 seconds. Every night it writes off, as a loss, whatever of this you failed to invest to a good purpose. It carries over no balance. It allows no overdraft. Each day it opens a new account for you. Each night it burns the remains of the day. If you fail to use the days deposits, the loss is yours. And there's no getting around the banks other key rule: it could close your account at any moment without warning. Your life can end at any second.

So what are you doing with those 86400 seconds? You must live in the present, with today's deposits. Invest it, so as to get from it the utmost in health and happiness. The clock is running. Make the most of today.

MESSAGE FROM REV BARBARA

Dear Friends

It was my turn this month to write something for the magazine which some people take in the parish, not many do, so I decided to write something similar for our newsletter.

I wonder how many times you have said 'Thank You' over the last few weeks. As a child I always had to sit down and write my thank-you notes after Christmas and my birthday. What a chore, I used to think, but actually it reminded me of the thought and kindness that had resulted in my gift.

Sadly it doesn't seem to be the norm these days. In many countries a special day is set aside each year for thanksgiving. But for the Christian every day can be a day of thanksgiving, as we are, as instructed by St Paul, "always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ" (Ephesians 5:20, NRSV).

Think of it: Always giving thanks for everything — no matter the circumstances! Thanksgiving for St Paul was not a once-a-year celebration, but a daily reality that changed his life and made him a joyful person in every situation. Thanksgiving — the giving of thanks — to God for all His blessings should be one of the most distinctive marks of the believer in Jesus Christ. We must not allow a spirit of ingratitude to harden our heart and chill our relationship with God and with others.

On a personal note: David and I are extremely grateful for all the messages of support and encouragement, the offers of help with transport to hospital and the many, many prayers that have been offered on our behalf over the last few months. He has finished his radiotherapy treatment and now has to rest and recover. Thank you.

Love & blessings,
Revd Barbara

Entrance £2.50 which includes tea/coffee and biscuits. Everyone welcome.

Kind regards

The December Christmas Coffee Morning raised a staggering

£326.53. Thank you to all that attended. It certainly is the place to be on the second Saturday morning of every month. We had a variety of stalls plus a Christmas bric a brac and book stall. Many thanks go to Elwyn and Audrey who brought produce, cakes etc for sale and also ran a very successful squares competition with lots of beautiful prizes. Their time and effort are really appreciated. Also thanks go to the volunteers who support us on that day, setting up; working on the stalls; preparing, cooking and washing up in the kitchen, then clearing up and cleaning the hall afterwards. We are always looking for helpers so if you have a couple of hours free please let us know. Please ring Kate on 01262 470556 if you have any bric a brac, we can always make arrangements to collect if necessary. Also if there is anyone in the village who would like to come and requires transport please let us know as I am sure we can help.

All monies from coffee mornings go towards improving the village hall; the next big improvement being the kitchen and toilets.

The January Coffee Morning raised £181.25. Thank you again
