School Pond

Whilst the School Pond was dry, we took the opportunity to clear out a lot of the silt and rubbish from the bottom.

Many thanks to Councillor Carol Skelton for taking the lead on this project and also to Paul Arnell and David Woodcock for carrying out the work and disposing of the spoil. Since the rain, the pond is starting to fill up with water and the wildlife is beginning to return.

Should you wish to report any concerns, make comments, or submit items for discussion at future meetings, please do not hesitate to contact Jennifer Hobson (Clerk) during office hours on the following details:

St. James' Day - July 25th

James the Great, also known as James, son of Zebedee or as Saint James the Greater (to distinguish him from the Apostle James "the Less", with greater meaning older or taller, rather than more important), who died in 44AD was one of the Twelve Apostles of Jesus according to the New Testament. James is described as one of the first disciples to join Jesus. The Synoptic Gospels say that James and John were with their father by the seashore when Jesus called them to follow him. Saint James is the patron saint of Spain and, according to tradition, his remains are held in Santiago de Compostela in Galicia.

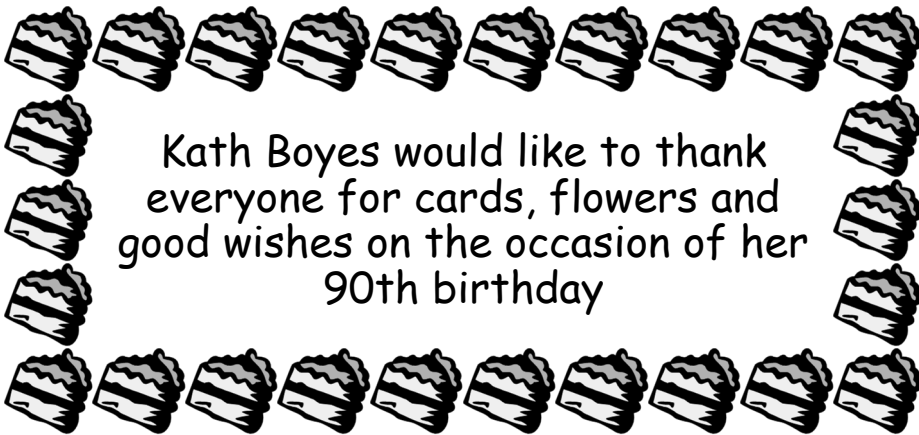

The Acts of the Apostles records that "Herod the king" (traditionally identified with Herod Agrippa) had James

executed by the sword. It has been suggested that this may have been caused by James's fiery temper, for which he and his brother earned the nickname "Sons of Thunder".

St James' Day Battle took place on 25 July 1666 – St James' day in the Julian calendar then in use in England (4 August 1666 in the Gregorian calendar), during the Second Anglo-Dutch War. It was fought between fleets of England, commanded jointly by Prince Rupert of the Rhine and George Monck, 1st Duke of Albemarle, and the United Provinces commanded by Lieutenant-Admiral Michiel de Ruyter. In the Netherlands, the battle is known as the **Two Days' Battle**.

SERVICES AT ST CUTHBERT'S CHURCH.

At the time of going to press, we have been informed that from the 1st July places of worship can re-open for worship. However, we don't yet know what form of worship this will be and how much social distancing we shall still have to observe, together with what instructions we shall have from the diocese.

At least we have a light at the end of the tunnel!

As soon as we have further information we shall post it on the church notice board and the board by the door at the post office, also we shall spread the word too.

MESSAGE FROM REV BARBARA

Dear Friends,

Well, as I said, there is a light at the end of the tunnel.

We often don't realise the impact that our words and actions can and do have, but in this time of heightened anxieties, it is more noticeable that whenever we do or say something encouraging, we manage to shine a light into people's lives. Often people know that we are Christians and so we hope that they will know that we do the things we do because we love Jesus and want to show his love to them and in doing that, 'glorify our Father in heaven'.

So, carry on shining, carry on helping your neighbour, carry on smiling and light up someone's life in these difficult and strange times. Hopefully it won't be too long before we can all meet together.

So, whether you're alone in isolation at home or in a family keeping safe and alert but still socially distancing, remember that God's Spirit is in us and through us, and let all our hearts beat with love for those all around us...

Thank you for all the help and support you have given around the village, it has been much appreciated.

With love & blessings,
Revd Barbara

PS. There is no newsletter in August so see you in September, stay safe, dear friends, the end of this lock-down is in sight.
