**NO BREAD PLEASE -  
IT CAN HARM  
THEM!**

Remember "Tonky"?

Too much bread is known to be harmful to ducks, geese and other wild birds, particularly when there is no water flowing through the pond. Remember you are not going to be the only one feeding them "just a small amount".

Not only can it cause wing deformity in geese (Angel Wing Syndrome) but rotting bread can result in a deadly bacteria called Avian Botulism.

So please, enjoy the wild birds but let them be wild and let them do what is natural for them.

If you still want to feed them, please give them grain, oats, peas or sweetcorn.

Thank you. Frances Turner, The Vicarage

### Village Hall News

The June Coffee Morning raised a fabulous £353.81 with the continuing support of Audrey, Elwyn and Anne's stalls. The bric-a-brac stall brought in an amazing £98 and continues to go from strength to strength thanks to all the fabulous donations, so keep them coming! We accept all donations except clothing and can arrange collection via Kate.

The bacon sandwiches began to fly out of the kitchen before 10 o'clock due to some early risers so make sure you arrive sharply for 10 to not be disappointed! You can order bacon sandwiches to take away at the end of the coffee morning but these orders must be in early.

A teacake with a drink at £2.00 proved to be a popular choice especially on a warmer day.

The Whist Drive raised £55.00 this month.

A number of children's parties have been successfully held in the last month with positive feedback about the facilities and costs.

responsibility. Nothing that happens to us can outwit God's loving provision.

We become a sunbeam to others too and are driven to do good all around us starting with our family, community, schools, supporting our key workers, helping our vulnerable residents in and beyond this parish. The internal rays of sunshine become infectious spreading from person to person until the sunshine flourishes in the hearts of our village residents. How lovely!

Do have a wonderful summer, full of sunbeams !!!

Love & blessings,  
Revd Barbara

### A FEW WORDS FROM ME

Dear Friends

Welcome to the summer months of July and August. This is a time when the sun rises the highest and we behold the beauty of warmth and sunshine. C S Lewis said, "I believe in Christianity as I believe that the sun has risen: not only because I see it, but because by it I see everything else." And it is true, by means of the sunlight, we witness the wonders of God's creation.

Our outlook is regularly tested by the cross-winds of life itself. Coming out of a pandemic is one thing, dealing with family bereavement is another but carrying long term illnesses or experiencing recent ailments are just as challenging.

We grow through the resistances we meet in our families, communities work and wider environment. It is not so much what happens to us, but what we do with it which determines the result and outcome.

St Francis of Assisi said, "A single sunbeam is enough to drive away many shadows". Doubt, fear, anxiety, worry and resentment are examples of shadows that disrupt our outlook. Although there are many ways of winning over these negative emotions, the most important point to remember is that we are God's children and His personal
