Village Hall News

D-Day commemoration - Many past and present residents attended this event, a variety of old photos and memorabilia brought back many happy memories. A fun photo board competition proved a good talking point and was won by Brenda Southwell. A very interesting talk by Bruce Beswick took place on Thursday 6th June with plenty of people attending. The D-Day weekend was a huge success and we would like to thank East Riding of Yorkshire Council for the grant which enabled us to put on this event. We donated £100 to Help for Heroes. Thank you to all those who attended and all the volunteers who facilitated this event.

The Whist Drive is held once a month on a Thursday afternoon and everybody is welcome regardless of skill. Last month £78 was raised. If you are interested in attending, please ring Kate Mercer.

The Pizza night was a pleasant evening with a number of residents socialising in the village hall. A small raffle raised £100. Hopefully we can see a return of a takeaway night.

Are you having a celebration of any kind in the up and coming future? If so, please ask to look round our beautiful village hall with its reasonable rates of £10/ph for residents, non-residents £12 ph and businesses are £15/ph. All larger parties can be quoted for, taking into account numbers and duration. Please contact Kate Mercer to arrange a visit.

Hedgehog News

Thank you to Sarah Worton, for rescuing a 'Very Ill' Hedgehog in Burton Fleming. Unfortunately this very poorly hedgehog had been damaged in a 'Strimming incident' and had to be put to sleep as he was in dreadful pain.

ADVICE ON WHAT TO DO FOR A HEDGEHOG FRIENDLY VILLAGE

As well as providing access to roam, here are some other things to do to help hedgehogs:

- Please could you ensure when feeding hedgehogs in the summer that you supply LOTS OF WATER!
- Before using a strimmer, make sure the area to cut is clear
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Move piles of rubbish to a new site before burning them.
- Ensure netting is kept at a safe height.
- Check compost heaps before digging a fork in.
- Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.
- A hedgehog lying in the sun wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel. Call Ali (07734053699) or Jo Pickering (East Yorkshire Hedgehog Rescue) from Langtoft (07717552624) who rescues hedgehogs and rehabilitates them ready for release.

Thanking you all for supporting Burton Fleming Hedgehogs.

A FEW WORDS FROM ME

Dear Friends

As we enter the summer months of July and August, many of the young adults in our villages will have finished their GCSE, A-Level or other examinations. I'm sure that we can all remember the fear and trepidation as we entered the exam hall, armed only with a pen or a pencil, at the mercy of the exam paper. I'm sure that that brings back a lot of memories - ones that we might rather forget! Definitely me.

There are some people who feel that Christianity is a bit like a test, that there are a set of complicated rules and regulations that we need to follow and that we are judged according to how we have done against that list of rules. That can mean that we think of our daily lives as a challenge where we have to try and get through the day, doing exactly what is required of us, causing us to feel upset with ourselves when we fail to do or say what we ought, as well as feeling upset at the prospect of having disappointed God. But this isn't the way that I see God and I think that isn't the way that God wants us to live our lives. Yes, God does want us, and expects us, to live our lives in a certain way: showing kindness to others, welcoming the stranger, doing the right thing, and

SERVICES AT ST CUTHBERT'S CONTINUED.....

living a life that is filled with love rather than hate.

If Jesus were walking among us now, he might have told a different parable, perhaps, even, the *Parable of the Failed Examination*: The Kingdom of Heaven is like a teacher with ten students. The teacher told his students to prepare for their exam and to revise. Nine students worked hard and revised all done, but one student put off his revision until tomorrow and then tomorrow. When the day of the exam came, the nine students were ready for their exam, but the tenth student panicked. The tenth student failed his exam and was deeply upset because the student knew the teacher was right. The student said sorry to the teacher for not doing his revision and the teacher knew that the student truly meant it, the teacher forgave him and the student returned home having learned an important lesson.

So, let's all say a prayer for ourselves, that we may feel the warmth of God's love for us. But let us also pray for all of those students who have taken exams. We pray that God may be with them whatever the results, that God will guide them, and that He may give them confidence, calmness, and wisdom for the future.

With love & blessings,
Revd Barbara

GEESE IN THE ROAD! Drivers please SLOW DOWN

The goslings have grown tremendously and it won't be long before they can fly. In the meantime they are very vulnerable to being run over. Their wonderfully caring parents will stand in the road to protect them and not move out of the way so please give them plenty of room!

Thank you to all those who DO NOT FEED BREAD to the ducks and geese. Unfortunately there are still a few people that do, even when the ducks and geese are not interested. I managed to scoop up half a bucket of white baguettes from the water one day but the rest sank- not at all good for the water or the wildlife.

Let's keep our wildlife healthy! Thank you for your support!
