A FEW WORDS FROM ME...

Dear Friends,

June always feels like a month of promise. The days are long, the gardens are full of colour, and the air carries that gentle warmth which invites us outdoors. It's a season that reminds us of God's generosity — how He lavishes beauty upon the world without asking anything in return.

In the church calendar, we often find ourselves between great festivals at this time of year. Easter's joy is still fresh in our hearts, and Pentecost's fire has just stirred our spirits. Now, we are called to live out that joy and that fire in the everyday — in conversations over the garden fence, in acts of kindness to neighbours, and in the quiet prayers we offer for those in need.

This month, I encourage you to notice the "small resurrections" around you: the friendships rekindled, the hope restored, the courage found in difficult moments. These are signs that Christ is alive and at work in our midst.

As we enjoy the light of these summer days, may we also be bearers of light — carrying God's love into every corner of our community.

With every blessing,
Revd Barbara xx

BURTON FLEMING HEDGEHOG NEWS

Its BREEDING and BABY SEASON! Summer is a key breeding period for hedgehogs, with some second litters born late in the summer.

Please remember to:

* Check for hogs and hog nests prior to gardening, especially when using strimmers and grass cutters.

* Provide an exit route out of ponds and pools as hogs like to swim.

* Cover holes and drains to prevent hogs from falling in.

If you see any hedgehogs out during the day, it usually means they are in distress, however it could be a nursing mother seeking food or nest materials so please seek advice from either myself Ali (07734053699) or Jo Pickering (East Yorkshire Hedgehog Rescue) from Langtoft (07717552624) who rescues hedgehogs and rehabilitates them ready for release.

Due to extreme weather conditions please could you ensure when feeding hedgehogs you supply LOTS OF WATER!

Hedgehog favourite food

-Dried kitten biscuits- No fish flavour please (Kitten is easier for hoglets)

-Spikes semi moist hedgehog food

-Wet cat food in jelly - No fish flavour please

-Dried mealworms in very small amounts

-LOTS OF WATER!

Thanking you all for supporting Burton Fleming Hedgehogs.
