- This month's competition was in the form of the riddle below:

My FIRST is in COMRADE but never in FRIEND,
My SECOND in CORNER but isn't in BEND,
My THIRD and my FOURTH are between K and P,
My FIFTH found in LUNCH but never in TEA,
My SIXTH is in NANNY (and three times at that),
My SEVENTH in WICKET but not found in BAT,
My EIGHT is a drink which you have with a snack,
My NINTH is in TACKY but isn't in TACK.

My final six letters make up a fresh word,
A thing that is scary when seen or when heard,
Poor Scrooge had a visit from three in one night,
And when they appeared they gave him a fright.

My whole is around you and with you for ever,
And if you have guessed it you're really quite clever.

You can read, within this space,
The legend of the Gypsy Race.
Our pretty village owed its fame
To this strange stream, whose other name,
'Woe Waters of the Wold', 'tis told,
Was truly proved in days of old.

The cottage bridges span the place
Where sometime flows the Gypsy Race,
But rarely are the grasses green
Disturbed. Not oft the peaceful scene
Looks on the Gypsy flowing free,
Released to tumble to the sea.

But suddenly, as in a dream,
Unbidden springs the rushing stream,
Where daffodils and primrose grew,
A crystal torrent comes in view,
And folks know, as the Race runs faster,
Forebodings of some great disaster.

Do not scorn this country lore,
Oft time the Gypsy ran before
And, each and every time in spate,
Foretold of some historic fate.
Why else would 'Woe' become its name,
And bring the pretty village fame?

Burton Fleming Parish Council News

Gypsy Race

Over the last month we have seen the Gypsy Race rise to quite high levels which has caused some concern to local residents, remembering the situation we faced back in 2012. Rest assured, since the flooding in 2012, ERYC and the Parish Council have water level monitoring systems in place which provides early warning of impending problems. ERYC can then initiate various protective measures like getting sand bags delivered locally and providing any necessary pumps to the area. Throughout the last month we have issued regular updates on the situation which can be found at www.burtonflemingpc.co.uk

And if you see any hedgehogs out during the day, it usually means they are in distress so please seek advice from myself within the village. Try not to touch them. I am helping Jo Pickering from Langtoft who rescues hedgehogs and rehabilitates them ready for release.

Thanking you all for supporting Burton Fleming Hedgehogs

SLOW DOWN HEDGEHOGS

Because the weather is improving it would be great if we could try and have an impact within the village a couple of times a week to slow the traffic down, rather than people ignoring signs that are there permanently.

If you would like a dustbin sticker sign, I still have a few available for the main streets.

Many thanks
Ali

Hedgehog News in Burton Fleming

Now that the sun is shining, there have been some hedgehog sightings around the village and I have eight more still enjoying bed and breakfast at my house until the weather is a little more stable.

We are looking forward to a very exciting spring and summer in Burton Fleming with hopefully lots of hoglet sightings. (Please let me know if you see any hedgehogs around the village so we can monitor their progress and whereabouts).

Also, if you are able at this very difficult time, please can you ensure to keep your hedgehog food stations, in and around the village, running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink at this busy time of year.

Hedgehog favourites:

- Dried kitten biscuits - No fish flavour please (Kitten is easier for hoglets)
- Spikes semi moist hedgehog food
- Wet cat food in jelly - No fish flavour please
- Dried mealworms in very small amounts

Ensure your garden has hedgehog doorways to your neighbours and that all ponds have accessible slopes, as the hedgehogs do like to swim.

Unfortunately there will not be any services at the church during March due to the current restrictions but we hope to be able to offer services for Easter, this also applies to St James', Fordon.

We are looking at ways to recognise Mothering Sunday so keep a watch and an ear open for news on this event.

A NOTE FROM REVD BARBARA

Dear Friends,

Just recently I was reading about the great band of volunteers that have come forward during this pandemic to help in so many ways. Those retired folks who put themselves forward - the doctors, nurses, cleaners, delivery folks, makers of PPE, and many, many more - grateful thanks to you all.

Then I thought of all the countless volunteers of many ages who give up their time and energy to help in lots of different ways. The value of volunteers to our society is huge. In the days of press-ganging into the Royal Navy, a volunteer was considered to be worth "ten pressed men." And today there are estimates that the value of volunteering is £24bn to the UK economy. Our local institutions and societies rely almost entirely on volunteers – so vital to our sense of community. In our churches, we rely heavily on the voluntary services of many people and I would like to thank all the folks who do countless jobs to support the mission and ministry of St Cuthbert's and St James' churches. Throughout the bible God has invited people to join in his mission in the world – not through compulsion, but through choice. The prophet Ezekiel spoke of God giving his people hearts of flesh in place of a hearts of stone – hearts choosing life & love, not rigid obedience. Jesus reserved the harshest criticism for the religious authorities of his day who stuck rigidly to laws, while losing sight of God's love and generosity to all people (a criticism that can still be levelled at times).

Today, a willing volunteer is still worth ten pressed people. So do look out for an appeal for help. If you have time and talents you can offer, you are likely to be greeted with open arms!

Meanwhile, take care and stay safe.

Love & blessings,

Revd Barbara
