## ADVICE ON WHAT TO DO WITH A HEDGEHOG IN NEED OF HELP

As well as providing access to roam, here are some other things to do to help our hedgehogs:

- Before using a strimmer, make sure the area to cut is clear.
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Move piles of rubbish to a new site before burning them.
  - Ensure netting is kept at a safe height.
  - Check compost heaps before digging a fork in.
  - Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.
- A hedgehog lying in the sun wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel.

Call Ali 0773 405 3699 or Jo 0771 755 2624 for assistance.

Please can you ensure to keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink at this busy hoglet time.

Hedgehog favourites:-

- Dried kitten biscuits - no fish flavour please (Kitten is easier for hoglets)
- Spikes semi moist hedgehog food
- Wet cat food in jelly - no fish flavour please
- Dried mealworms in very small amounts

Thanking you in advance

### A FEW WORDS FROM REVD BARBARA

Dear Friends,

The light at the end of the tunnel is becoming clearer and brighter, thank goodness for that, I hear you say. What a year it has been, but we are almost there and all of us have a story to tell, from our Queen and her great sadness to all who have experienced the tragedy of death of a loved one, in whatever circumstance, it hits hard, there is no doubting that.

There have been happy times too: the birth of a new baby, a marriage, albeit with reduced numbers, opportunities coming to meet up with loved ones, I can't wait to have a hug with my daughters.

So life goes on, and I for one, am an optimist and I truly hope and believe that life will become better, maybe not exactly the same and that could be a good thing. I hope we don't go 'back', but will look forward to a 'different' normal.

As a Christian, I am full of hope for the future, for our lovely village and its people. Our church is up and running, please come and join us, you will be very welcome. So for now, keep well and stay safe.

Love & blessings,  
Rev Barbara.
