### HEDGEHOG NEWS MAY 2023

As spring arrives lots of hedgehogs will begin to coming out of hibernation looking for mates and food supplies. If you are able to keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink, it would be very much appreciated.

#### ADVICE ON WHAT TO DO FOR A HEDGEHOG FRIENDLY VILLAGE

As well as providing access to roam, here are some other things to do to help hedgehogs:

- Before using a strimmer, make sure the area to cut is clear
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Move piles of rubbish to a new site before burning them.
- Ensure netting is kept at a safe height.
- Check compost heaps before digging a fork in.
- Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.
- A hedgehog lying in the sun wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel.

### PARISH COUNCIL NEWS

#### Biennial Village Walkabout

The biennial village Taskforce walkabout is due to take place on Monday 22 May 2023.

'Walkabouts' give parish council representatives a formal opportunity to identify routine work to be carried out by the village taskforce team within the built-up part of villages i.e. between village nameplates, and are held biennially. Items of work identified on the walkabout, which fall within the scope of work the teams can do, will be carried out according to priority during their regular visits and will be completed by the end of the grass cutting season. The basic tasks which can be undertaken by the village taskforce teams include: minor pothole repairs, street asset painting, sign repair and washing, and the cutting back of overgrown vegetation. As in previous years any issues raised by the parish council on the walkabout which are outside the scope of what the taskforce team can deal with will be noted and referred to the relevant section for their consideration. It has to be appreciated though that, due to the present financial constraints, these can only be addressed on a priority basis and no guarantee can be given that work will be undertaken.

If anyone has any relevant concerns they wish for the Parish Council to raise at the Walkabout then these should be sent to the Clerk by no later than close of play, Friday 12th May 2023. Please email [clerk@burtonflemingpc.co.uk](mailto:clerk@burtonflemingpc.co.uk) or send via post to: Clerk to Burton Fleming Parish Council, 5 Weldon Court, Weaponness Park, Scarborough YO11 2UA

Items for publication in the March issue should reach me by 25/5/23

### A FEW WORDS FROM ME

Dear Friends,

I guess many of you, like me, have only known our late Queen as monarch through your lives and so now we have a king and somehow it feels very strange. We have listened to the wonderful tributes to the late queen and after 70 years on the throne how could King Charles possibly follow that.

Well, he will, in a different way, life has changed dramatically over the last 70 years but at the heart of the coronation is the pledge of the monarch to be dedicated to the people of this nation & the commonwealth with the help & guidance of God. He will be the Defender of the Faith and I believe that all people are 'defenders of the faith'. The right of all of us to believe in the power and love of almighty God and of his Son, Jesus Christ. He is 'King of kings and Lord of lords.'

May you have a joyous Coronation time wherever you may be.

With Love,  
Revd Barbara

Yet again it was a bacon sell-out very early on with teacakes continuing to prove a popular lighter option.

The Whist Drive in April raised £85 with consistent attendance and skill.

Trustees are: Mr David Woodcock, Mr Keith Wells, Mrs Kate Mercer
