A FEW WORDS FROM ME

Dear Friends,

The seasons come and go in the cycle of nature, we are in Spring but there is still a nip in the air, but the grass is once again green. There is much change all around. We still pray for the good health of the King & for the Princess of Wales and for peace in the many places in our world where there is war, destruction, starvation injury & death. Here in this parish we too are facing a time of change, we are looking for ways of encouraging folks to come and join us as we have lost some members & need to grow our numbers. And hopefully grow in our own faith and look within ourselves to see where our gifts lie. I would invite you to prayerfully consider what your gifts are and how you may be able to help us.

Our understanding of God's nature may change, but he doesn't. As Jesus reminds us many times in the New Testament, He will be with us unto the end of time, through the power of the Holy Spirit - a promise I am certain he will not break. We have thanked God for his overflowing generosity and goodness, but I was also left wondering, why when we have so much are there so many places in our world where provision and abundance seem lacking. As we approach the coming months with all the changes and challenges we may face, let us remember that we do so together as a church and a community, as friends and neighbours. May we also give thanks to God that we do not approach them in our own

strength, but in knowing that the ever present and loving God is there beside us and walking with us as we journey together & as we face the changes and challenges given to us.

With love & blessings,

Revd Barbara

HEDGEHOG NEWS

Congratulations to David and Jane who now have their very own hedgehog house/feeding station. We have released two hedgehogs into their garden over the past few weeks.

Please can you ensure to keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink at this very busy time of year.

Some hedgehogs will travel long distances to find a mate, so please DRIVE SLOWLY to avoid any road disasters.

If you need any hedgehog assistance call Ali 0773 405 3699 or Jo 0771 755 2624.

Thanking you in advance

Ali Blyth
