A FEW WORDS FROM ME

Dear Friends,

The seasons come and go in the cycle of nature, now the nights are drawing in, trees are looking decidedly more autumnal, there is a nip in the air, and the clocks have 'gone back'. Here in this parish we too are facing a time of change during which we will all hopefully grow in our faith and look within ourselves to see where our gifts lie. I would invite you to prayerfully consider what your gifts are and how you may be able to help us. The church year has its seasons too, as I write we have just given thanks to God during our Harvest Festival celebrations. We thanked God for his overflowing generosity and goodness but we were also left wondering, why when we have so much are there so many places in our world where provision and abundance seem lacking. As we enter November the church begins a season of remembering, we celebrate All Saints and All Souls; when we remember those who have died amongst our own families, friends and in our community. We all have our own memories and remember in different ways; it can be a difficult time for many as they remember those they have loved and see no longer. This year we will be having our Remembrance Service on Sunday 10th November at 10.55am where we remember those who have given their lives in the World Wars and all the subsequent conflicts for our freedom and for peace in the world. As we approach the coming months let us remember that we do so together as a church and a community, as friends and neighbours. May we also give thanks to God that we do not approach them in our own strength, but in knowing that the ever-present and loving God is there beside us and walking with us as we journey together, and as we face the changes and challenges given to us.

Love & blessings,

Revd Barbara
