Village Hall News

We have some fantastic news this month.... Robert Lindley Ltd has kindly donated the land that the village hall sits on to the Village. It will be held in the name of Burton Fleming Village Hall Fund - charity no 515208. The village hall has had to cover the costs of the solicitors of both parties' appx £3,000 for this transaction, but this is a small price to pay for the gift received. This is why over the last few months we have been trying out different fund-raising activities, to cover this expenditure. We will be arranging for a plaque in the village hall detailing this kind donation, in memory of Robert.

This now leads us onto "Fully Licensing the Village Hall" this is the way forward to accommodate the Pop-up Pub events, as the TENS licences are more costly and time consuming. The application that has been submitted to the council. (Public notice within this newsletter) For a full licence - 11.00 - 23.00. 6 days a week and 11.00 - 22.00 Sunday. We want to reassure everyone that this does **NOT** mean that we will be operating a pub 7 days a week - the licensed events will continue to operate pretty much as they are now - 1 or 2 licensed events a month. We are operating the licensed events that the majority of villagers are asking for, but in order to accommodate say a Thursday event one month, a Friday the next and a Saturday following this is the only way we can do it. The village hall is an important, valuable community facility and the committee wants to ensure it remains viable, accessible, and available for the benefit of residents and local groups.

Please do contact any of us if you have any concerns about this as it is "you" the villagers whose interests and requests we are trying to accommodate whilst bringing income to support the upkeep of the hall, and the last thing we want is anyone upset or concerned.

Our New Facebook page with all our details on and our events is up and running - make sure you join the page to keep up to date with what is going on.

BURTON FLEMING HEDGEHOGS

HOW TO HELP OUR HEDGEHOG'S!

- ENSURE YOU RELOCATE YOUR BONFIRE WOOD ON THE DAY OF BURNING
- Before using a strimmer, make sure the area to cut is clear.
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Ensure netting is kept at a safe height.
- Check compost heaps before digging a fork in.
- Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.
- A hedgehog wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel. Call Ali 0773 405 3699 or Jo 0771 755 2624 for assistance.

Please can you ensure to keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink at this busy time of year prior to hibernation.

Thanking you in advance

Dear Friends, A few words from me.....

As November arrives, we enter a month rich with tradition, memory, and a deep sense of connection—both to those who have gone before us and to the rhythms of our faith. We are reminded of our heritage in faith, the promises of hope, and the light of Christ that guides us through each season.

Early in the month, we observe All Saints' Day and All Souls' Day, two occasions that give us space to remember and honour those who have passed from this life. All Saints' Day is a day of celebration for all the saints, known and unknown, who have walked in faith and whose lives shine as beacons of God's love. We give thanks for their examples, inspired by their courage, wisdom, and dedication to God. We also noted that through our baptism, we are all saintly. Now there's a thought....

All Souls' Day, meanwhile, is a more personal and intimate time - a day for remembering those in our own lives who have passed away. It is a sacred

SERVICES AT ST CUTHBERT'S CHURCH, BURTON FLEMING & ST JAMES' CHURCH, FORDON CONTINUED

opportunity to remember parents, siblings, friends, and loved ones who touched our lives deeply.

As we move through the month, we also gather for Remembrance Sunday, an occasion that invites us to remember the courage and sacrifice of those who served in times of conflict. Wearing our poppies, we stand in gratitude for those who gave their lives for peace, and for all who continue to serve in His Majesty's armed and security services in particular. This day calls us not only to honour the past but to take seriously our commitment to peace in the present and future. That might be very difficult given the troubles we see on the TV news each night. We are challenged by our faith each day, to work for justice and reconciliation, to stand against hate, and to be bearers of God's peace in our world. The silence we observe is a solemn reminder of the cost of war and a powerful call to cherish and uphold the peace we have been given.

So, November is a month of remembrance, but also of hope. As we honour the saints, remember our loved ones, and reflect on the sacrifices of those who served, we do so in the light of Christ's promise that life and love endure. And as we look forward to Advent, we are reminded that even in times of waiting, God is with us, and hope is alive. May this season draw us closer to one another and to the God who is present in every season of life. May we find comfort in remembering, strength in hope, and joy in the anticipation of the Saviour's birth.

Love & blessings,

Rev'd Barbara

National Emergency Briefing

There will be a showing of the People emergency Briefing at Burton Fleming village hall at 3pm on the 22nd of November.

The Peoples' Emergency Briefing is a film to be watched in local communities and promote an honest conversation about the climate emergency.

All welcome, with Jim's cake and tea afterwards with time for a discussion about the film.

The film is 50 minutes long and unfortunately is only advised to be watched by over 16 year olds.
