A NOTE FROM REV BARBARA

Dear Friends,

The Autumn Equinox is now with us, which means shorter days and longer nights (don't forget to turn your clocks back on the 31st), chillier mornings and cold evenings. Sounds a bit dull doesn't it, but it isn't. In fact, it's a lovely time of the year. Put on a thick sweater, boots, hat etc. and set off for a super walk around the area. It's amazing what you see: the landscape is different, the colours are different and all this is while new life is developing in the fields, the hedgerows and our gardens.

We are so fortunate to live in this part of the world, especially when I have seen the news on TV with volcanoes erupting, forest fires, floods, tsunamis, the list goes on. Thank goodness there are agencies that will help and do what they can to assist and alleviate those desperate folks who are left with nothing.

So I ask you, when you are out and about, think about those in other countries, whose lives will never be the same and help in some small way. A monetary gift to an agency, a letter of support, a prayer. Our Lord taught us to 'Love one another' and there is always something we can do, however small. On your next walk, yes, walk, don't take the car, walk and see and appreciate our beautiful countryside and be thankful for it all.

With love

Revd Barbara

BURTON FLEMING NEWSLETTER

Apology

Apologies for an error in last month's newsletter, please note that the winner of all three categories in the UNDER 11's Sunflower competition was Ellie Davison (not Dawson).

Mobile Library

The mobile library visits the village once a month and can be found on Front Street, near the Post Office.

This is an excellent service run by East Riding Libraries.

In addition to the large selection of books stocked in the mobile library, books can also be renewed and reserved online.

The mobile library also stocks free COVID-19 tests.

The next date is Wednesday 13th October 1-1.20pm

BURTON FLEMING HEDGEHOG NEWS

Thumper, from Burton Fleming, will be released in the next few days.

ADVICE ON WHAT TO DO WITH A HEDGEHOG IN NEED OF HELP

As well as providing access to roam, here are some other things to do to help hedgehogs:

- Before using a strimmer, make sure the area to cut is clear.
- For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.
- Stop or reduce the amount of pesticides and poisons used.
- Move piles of rubbish to a new site before burning them.
- Ensure netting is kept at a safe height.
- Check compost heaps before digging a fork in.
- Cover drains and deep holes.
- Ensure there is an easy route out of ponds and pools.

A hedgehog lying in the sun, wobbling as it walks or with flies around it needs help. Use a gardening glove to collect it up, bring it indoors in a cardboard box and cover with an old fleece or towel.

Call Ali 0773 405 3699, Jo 0771 755 2624 or Debbie & Ben 0779 147 3576 for assistance.

PARISH COUNCIL NEWS

Polite Notice re. parking around the village

The Parish Council have received several complaints from concerned residents about inconsiderate parking around the village. There are two main areas of concern - around the crossroads and Wold Newton Road. If you have to park near to the crossroads in the village, please try to park as far away as possible from the junction so that road users can see when pulling out.

If your driveway extends across the footpath, please pull your car up the drive so that pedestrians do not have to walk around and onto the road when out walking.

Thank you!

Reminder to cut back hedges and trees to avoid causing obstructions

Please remember to trim your own private hedges and trees which overhang paths and roads to prevent them causing an obstruction.

Overgrown hedges and trees can be a nuisance and a danger to others.

Cemetery Extension Update

Following the resolution to proceed with the loan application, the draft application was approved for submission at the Parish Council meeting in September. This application has now been submitted.

Suggestions for Road Safety Signage

At the recent Parish Council meeting, it was suggested that it may be time for the road safety signs in and around the village to be reviewed as the dynamics of the village have changed somewhat over the years. We are already aware that there could do to be additional pedestrian warning signs on Hunmanby Road, and possibly Wold Newton Road, as well as signs warning of horses on the road. If you have any further suggestions, please contact the Clerk with these. The Parish Council will then discuss further with ERYC in due course.

Next Parish Council Meeting

The next Parish Council meeting is to be held on November 9th 2021 at 7.00pm in the Village Hall.

PARISH COUNCIL NEWS

ERYC Communication Consultation

East Riding of Yorkshire Council is currently undertaking a consultation to understand how East Riding customers, residents and businesses contact it and how easy they have found it to do so.

The consultation runs until Friday, 15 October 2021 and will provide customers the opportunity to outline their needs and experiences in contacting the council, whether this has been face-to-face, by telephone, or online.

The questions are structured around how confident people are going online, and for what purpose, to provide an understanding of their appetite for engaging with the council digitally.

The consultation questionnaire is available on the council's website and customers can also request a paper copy, which they can pick up from one of the council's customer service centres or libraries throughout the region.

Paper copies of it can also be requested by calling (01482) 393939. To access the consultation online, please visit <https://eryc.link/contact>. In addition, approximately 9,000 postcards have been sent to households in areas where there is known to be a low percentage of superfast broadband access, as well as low rates of digital responses to the recent census and other online surveys.

The postcards include an invitation to complete the survey online or to request a paper copy to be sent.

Adverts are always welcome for any local village news/ activities/groups or businesses to go in the newsletter. No matter how small your business or advert! Please get in touch to find out more.
