The July Coffee Mornings was again a great success. Thank you to all that attended, and helped with the washing and clearing up. We raised £161.00 for our improvement funds. It certainly is the place to be on the second Saturday morning of every month. Thank you for all your donations of bric a brac/books etc for the stalls, and to Elwyn and Audrey who bring produce, cakes etc and run a competition. Please ring Kate on 01262 470556 if you have any bric a brac, we can always make arrangements to collect if necessary. Also if there is anyone in the village who would like to come and requires transport please let us know as I am sure we can help.

The Dialect Evening with Adam Collier was a sell out and those who attended would appreciate why that was. Excellent entertainment with a lovely supper. £900.00 was raised, 50% going to Yorkshire Air Ambulance.

During the month of August we do not have a coffee morning but instead have a "Strawberry Afternoon Tea". This was enjoyed by many, and we should like to thank Audrey and Elwyn for their great produce stall, Sue Stockdale for the ART exhibition, The Police, and all representatives of groups who voluntarily give their time up to support village events, and the catering staff and helpers. We raised £195.00 for our funds.

**MESSAGE FROM REV BARBARA**

Dear Friends,

I have taken more baptisms over the last few weeks than I have for a long time. I have more in the diary too. It's good that many folks still feel that a baptism is valued.

When we are born into this world gasping for that first breath, none of us know exactly what we are supposed to do with our lives. We depend on our parents care and love to guide us and teach us as we make our first steps, then our second and third.

Then others may begin to play a part in our decision making, grandparents, teachers, friends, Christian friends. Our lives begin to be shaped by our experiences and those who influence and inspire us... So where are you heading..?

God the Father spoke His words through the Prophet Jeremiah as he called out to those who found themselves in exile..."I know the plans I have for you" he told them..."plans to prosper you and not to harm you, plans to give you hope and a future". I believe God is a gracious parent who longs to share His plans with us all.

No matter where you are at this moment, if you haven't found God's plan for your life perhaps now is the time to stop what you're doing and look for it. There is nothing in your past that He can't use. Maybe you've veered off course; we all have at one time or another. Read the stories of those God used and you'll discover that 'wrecking things' isn't unusual. It's actually part of the learning curve.

When God puts your life on track, He begins by giving you a sense of hope. Only God-given hope will sustain us when we go through tough times. Perhaps you're wondering "am I ever going to be where I'm supposed to be? If that's how you feel today, remember the words spoken by Jeremiah on God's behalf; to a group of people who had spent 70 years in Babylonian slavery as a result of doing things the wrong way. "I know what I'm doing, I've planned it all out, plans to take care of you, not abandon you, plans to give you the future you hope for".

God's plans for His people are always alive with grace and love.  
 Come & see,  
 come & find out more.

With love & blessings,  
 Revd Barbara
