BURTON FLEMING NEWSLETTER

DID YOU KNOW.....?

In Shakespeare's time, mattresses were secured on bed frames by ropes...when you pulled on the ropes the mattress tightened, making the bed firmer to sleep on. That's where the phrase, "good night, sleep tight" came from.

The term "the whole 9 yards" came from W.W.II fighter pilots in the Pacific. When arming their airplanes on the ground, the .50 calibre machine gun ammo belts measured exactly 27 feet, before being loaded into the fuselage. If the pilots fired all their ammo at a target, it got "the whole 9 yards."

The name Jeep came from the abbreviation used in the army for the "General Purpose" vehicle, GP

VIEW FROM THE VICARAGE

Dear Friends,

Well, the summer holidays are nearly over and so for many children, parents & teachers it means a return to patterns and routines centred around education and learning. Happy memories !!!! And this got me thinking about learning and how important it is to our lives.

Every day is an opportunity to find out something new, to see life from another angle, or to gain a new skill. Much has been made of the fact that we all learn differently. This is true. There is no 'one size fits all'; our minds react to diverse stimuli and in diverse ways. We may learn best by listening or by interacting, by being alone or by being with others, in stillness or in movement. We always have the potential to learn from one another and to teach someone else about the world from our distinct point of view.

The Christian discipleship embraces the ideal of learning from another person, with real focus and intent. Learning from Jesus should refresh and energise us and we learn what it means to be true disciples - and what it means to be human. (Matthew 11:28-30)

And so, can I encourage you this September, as you get back to life as normal, whatever that may be, however young or old you are, keep learning from Christ and ask God each day to fill you afresh with his Spirit that you might be open to learn and grow... and remember you are always welcome to join with us at St Cuthbert's as together we can learn to be God's disciples.

with love & blessings,
Revd Barbara

The July Coffee Morning raised yet again a fabulous £162.00. We are now looking forward to receiving any new bric a brac and books for September's coffee morning. We continually roll over stock, which when unsold, we take to various charity shops in the area. We also have a terrific produce stall. The monies raised continue to go into the Village Hall Improvement Fund. Our next challenge is to replace the curtains. We have again applied for a grant of £2,000.00 and will know the outcome of that in October

August Strawberry Tea. As in previous years we do not have a coffee morning in August, but we hold a Strawberry Tea on the Tuesday afternoon following; this was on 14th August. We made it also a Promotion afternoon for all users of the Hall. Representations were there from; The Bowls Club; St Cuthbert's Church; The Art Club; East Riding Association of Village Halls; The History Club and the Police who were giving out information. We had our usual fantastic Produce Stall and raised monies with the Squares competition thanks to Audrey and Elwyn. Thank you for your help and donations of prizes. We were particularly pleased to welcome our Councillors; Jane Evison and Jonathon Owen. Jane Evison presented a cheque for £250.00 to Kate Mercer from the KEW Gardens fund to allow us to purchase plants/ planters etc to improve the outdoor areas, whilst also keeping the Hedgehogs in mind. We raised a total of £256.00.
