A FURTHER SPECIAL MESSAGE

Can I ask again for some willing folks who would be able to help us occasionally at church, to help with general maintenance, garden, painting, moving furniture?

Please get in touch with Pat Harvey if you are able to help us.

Thank you,
Revd Barbara

A FEW WORDS FROM ME

Dear Friends,

What does 'Harvest' mean to you?

When I was young, I lived in an East Lancashire mill town, with little knowledge of 'farms' & farmers and what they really did.

At our Harvest Festival we arrived at church with our little shoebox of Harvest goodies such as a couple of apples, potatoes, oranges & tomatoes, you know the kind of things I mean. We took them into church and put them down in the relevant spot marked 'St John's School'.

I was amazed at the 'displays' from all the groups that met under the name of the church: Brownies, Guides, Cubs and Scouts, Sunday School, Mothers' Union, Choir and the Flower-Arranging group and so on. Sometimes I thought it was a competition as to who could put on the best display!

I shall always remember a little vase with some daisies and dandelions in, with a home-made label which said 'Thank you' from Mary aged 6.

Sadly, the next Sunday, all was gone and the church was bare. I know the fruit and vegetables had gone to the local hospice, flowers to the old peoples' home, tins and dried goods to the refugee appeal (which seemed never ending and still does!).

I did think had the meaning of 'Harvest' disappeared as well.

'Done that, box ticked' till the next time.

Well, no, I don't think it has, appeals are still met, boxes in the church still filled and folks still come to church to thank God for his goodness. We continue to care for each other in lots of different ways, keeping God's commandment to love one another.

So keep up the good work and stay safe..... we'd love to see you at our Harvest Thanksgiving on the 26th.

"Come, ye thankful people, come, raise the song of harvest home."

With love & blessings,
Revd Barbara

Yesteryear's Cars, Motorbikes and Scooters Playground Fundraiser

Wow! What a fabulous, very busy day fundraising for the Burton Fleming Playground, we saw so many kind people. The weather was good too! Lots of thank yous: Firstly, to Paul Garbutt and Backfire Events, with the communication and advice you gave and also to the owners of the cars, motorbikes and scooters - they were fabulous to see and we couldn't have done it without you all.

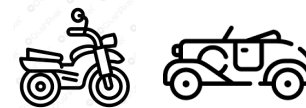

Thanks also go to Dave Woodcock for the use of his field and his amazing threshing machine; the Marshalls, who when I asked, said yes immediately and did a Stirling job: Mandy, Alan, Pennie, Billy and Dave; and thanks to Emma & Chloe Hayton for organising the stalls and running the tombola.

THANK YOU! THANK YOU! THANK YOU!

To all who donated baking, wow, there are some incredible cooks; the kitchen assistants, Rosie and Phoebe Coleman; the very busy bacon fryer, who I understand can still smell bacon today, John; and also to Wolds Engineering Supplies for their sponsorship. Last of all, thank you to the committee and helpers for the Playground: Jim, Jane, Sue, Rich, Sarah & Francis.

THANK YOU ALL FOR YOUR SUPPORT, YOU ARE ALL AMAZING!

Same again next year please.

Items for publication in the October issue should reach me by 25/09/21

BURTON FLEMING VILLAGE HALL NEWS & DIARY OF EVENTS - SEPTEMBER 2021

The hall is now open for all activities, legal restrictions will no longer apply. However, government guidance on Covid safe measures will continue to be observed. This is because the Government is now stressing the need for people to "make informed decisions and act carefully and proportionately to manage risk to themselves and others" and maintaining well-ventilated spaces, and voluntary social distancing. We shall also continue to have a QR poster up, hand sanitising stations, choice on face coverings and more frequent cleaning.

The new extended kitchen is completed. It is looking amazing. The Village Hall has already been hired out for two big Village events, i.e. a Wedding & a Vintage Car meeting, and we have another Wedding booked in for next year. We are prepared to discuss any of your future plans which make for a truly village experience.

We would like to thank and recommend the following contractors for their extremely excellent work in the kitchen.

* BUILDER/KITCHEN FITTER/JOINER/TILER/DECORATOR (MAIN MAN) - Rob Williamson, Ruston Parva

* STRUCTURAL ENGINEER - Ross Harrison, Hornsea

* PLUMBER & ELECTRIAN - Craig Dixon, Headland Electrical & Plumbing, Bridlington

* ESCAPE DOOR/WINDOWS - Paul Berriman, Driffield

* FLOORING - DIRECT FLOORING SUPPLIERS - Daniel Unna, Burton Fleming and Driffield

* DRAINAGE - Paul Arnell - Burton Fleming

* KITCHEN APPLIANCES; COOKER/FRIDGE FREEZER/MICROWAVE - Dixons of Filey

* AUTOMATIC WATER BOILER - Nisbets (York) for which we had a part donation from a Well Wisher in the Community. Thank you.

A SPECIAL THANKS ALSO GOES TO HOWDENS KITCHENS OF BRIDLINGTON WHO DESIGNED AND PROVIDED ALL THE KITCHEN UNITS, WORKTOPS, SINK AND TAPS, free of charge as part of their CHARITABLE DONATION.

The support was truly amazing from everyone.

We continue to thank our volunteer gardeners who continue to water the planters, volunteer grass cutters and the 'special' DIY men who are constantly keeping the hall ship shape.

The Committee are: Mr Robert Lindley, Ms Kate Mercer, Miss Gill Pike, Mrs Carol Skelton, Mrs Trish Townsend, and Mrs Charlie Welford, Mr David Woodcock.

New Pond House and Noticeboard Repairs

The pond house situated in the School Pond is in need of replacement. If anyone would like to volunteer to build a new one, please contact the clerk. The replacement will then be arranged when the water level next drops.

Likewise, the noticeboard at the side of the shop is in need of some attention. The polycarbonate windows need replacing and the woodwork needs refurbishing. If anyone would be willing to do this, please get in touch with the clerk. All costs will be covered.

Cemetery Extension Update

We received a total of 27 responses to the Cemetery Extension Proposal, most of which were positive. The clear message from the responses received was to proceed with the project and to borrow £20,000 over 25 years. At the last meeting it was unanimously agreed by the Parish Councillors to proceed with the application for the loan.

Reminder to cut back hedges and trees to avoid causing obstructions

Please remember to trim your own private hedges and trees which overhang paths and roads to prevent them causing an obstruction. Overgrown hedges and trees can be a nuisance and a danger to others.

Biennial Village Taskforce Walkabout

The biennial village Taskforce walkabout took place on Tuesday 15th June 2021. The schedule of works identified are available to view on the parish council website noticeboard at www.burtonflemingpc.co.uk.

Items of work identified on the walkabout, which fall within the scope of work the teams can do, will be carried out according to priority during their regular visits and will be completed by the end of the grass cutting season. The basic tasks which can be undertaken by the village taskforce teams include: minor pothole repairs, street asset painting, sign repair and washing and the cutting back of overgrown vegetation. As in previous years, any issues raised by the parish council on the walkabout which are outside the scope of what the taskforce team can deal with will be noted and referred to the relevant section for their consideration. It has to be appreciated though, that due to the present financial constraints, these can only be addressed on a priority basis and no guarantee can be given that work will be undertaken.
