

These beautiful boys from Burton Fleming have grown lots, we will be releasing them in September.

ADVICE ON WHAT TO DO WITH A HEDGEHOG IN NEED OF HELP

As well as providing access to roam, here are some other things to do to help hedgehogs:

Before using a strimmer, make sure the area to cut is clear.
For a couple of days after applying wood preservative at ground level, protect your work from hedgehogs who like to lick it! It makes them very poorly.

Stop or reduce the amount of pesticides and poisons used.

Move piles of rubbish to a new site before burning them.

Ensure netting is kept at a safe height.

Check compost heaps before digging a fork in.

Cover drains and deep holes.

Ensure there is an easy route out of ponds and pools.

A hedgehog lying in the sun, wobbling as it walks, or with flies around it needs help. Use a gardening glove to collect it up, bring it

indoors in a cardboard box and cover with an old fleece or towel.

Call Ali 0773 405 3699 or Jo 0771 755 2624

Please can you ensure you keep your hedgehog food stations, in and around the village running with plenty of water and food to ensure our hedgehogs have plenty to eat and drink at this busy time of year prior to hibernation.

Hedgehog favourites:

*Dried kitten biscuits - No fish flavour please (Kitten is easier for hoglets)

*Spikes semi-moist hedgehog food

*Wet cat food in jelly - No fish flavour please

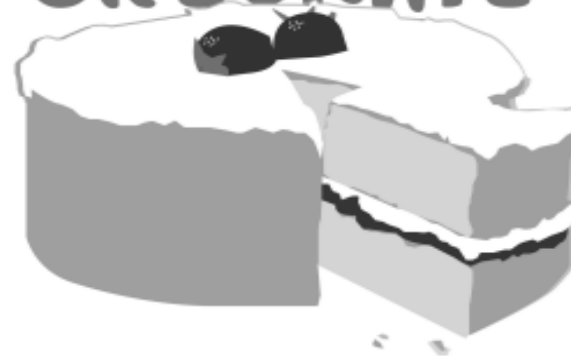

*Dried mealworms in very small amounts

Thanking you in advance

Burton Fleming Playground - September 2022

Playground Meeting
Thursday 29th September 7pm
At The Burton Arms

What shall we do next?

Many thanks to Anita and all involved with Yesteryears earlier in the summer for the huge donation to the Burton Fleming Playground. It is much appreciated and we are looking forward to spending it in the very near future.

We have heard from Lissett Wind Farm Community Fund with regards to our application for a sports wall and even though they were happy with our much improved list of volunteers, users and supporters, as recommended in last year's application, they have invited us to apply again next year with more information on the health & safety of using volunteers to erect such equipment.

We are still hoping someone may have a large log that they wish to donate to the playground for sitting on. Please let us know on 07523286082 (Jim) or 07734053699 (Ali).

Kind regards
The Playground Committee

Burton Fleming History Group

The first meeting of the 2022/23 season is to be held at Burton Fleming Village Hall on Thursday, 20th October, 2022, at 7.30 pm with a talk by Stuart Bradshaw entitled "The History of Bell Mills". Entrance £2.50 which includes tea/coffee and biscuits. Everyone welcome.

RUDSTON RASCALS PLAYGROUP

The Playgroup is every Thursday morning 10-11.30am at Rudston Village Hall. Everyone welcome, £1 per child.

perhaps walks through woods with the crispness underfoot that we associate with the season: the "seedtime and the harvest" being sung about again in our churches and schools: and all being well, as we recognise the familiarity of the turning of the seasons.

But the recent heat wave and drought in parts of Britain, and also in significant areas of the globe, have meant that the browned dry grassland and fields, hedges and verges have been with us for quite some time, with wildfires breaking out across both field and forest. The seasons seem less defined, the wildlife less prevalent, and the lives we live just a little more precarious perhaps.

What are we doing to our world and what are we doing to avoid disaster?

"The Millennium Seed Bank at the Royal Botanical Gardens, Kew, suggests that two in five plant species are in danger of extinction - not just from this year's drought or fire, but as a consequence of our failure to look after our world with respect and the devastating changes to the climate that are happening as a result. The Millennium Seed Project is collecting seeds from as many species across the UK and the world as it can. It will keep them at sub-zero temperatures in specially designed underground flood, bomb and radiation-proof vaults. They currently have over 2.4 billion seeds - and counting! A 'Noah's Ark' of seeds for the future, should we need it." (quoted from a clergy colleague).

Seeds are the precious treasure-chests of life. They provide the food we eat as grain for bread, and crops of all kinds. They provide flowers and shrubs for our pleasure. They grow into trees for the cleansing and replenishing of the air we breathe. In so many ways they sustain life. Julian of Norwich, the 14th Century Mystic and anchoress, in one of her many visions found herself holding a hazelnut in her hand, as tiny in God's eye as a tiny round ball floating in space, and she asked God what it was, and the reply came 'it is all that is made.....and God loves it'.

The seed is so important for the future of our world, so important for our survival, so important to God that we should be mindful to make sure that we do our best to protect and preserve it. This autumn perhaps we could find the space and time to reflect on the precariousness of our ecosystems, to think about how we use the world's resources and to make the changes needed in our own lives to reserve our world. Perhaps also, we could sow, plant, or grow something new for God and for the future of our world.

Love & Blessings

WANT TO HIRE THE HALL ?????

We are now taking bookings, please don't hesitate to contact us IF YOU are interested in booking the hall or come and have a look round as to what it offers: including new refurbished kitchen and toilets.

HIRE Rates from September are now: £10/hr for residents/ £12/hr for non residents/£15/hr for business etc.

Weddings and other events are by negotiation taking into account numbers attending etc.

Sadly the costs have had to increase slightly due to increased running costs and other overheads.

However we are able to announce following much hard work and the submission of a portfolio by Kate Mercer, she has secured the hall a Quality Standard Level 1 Hallmark Accreditation which involved a very thorough, detailed assessment of the hall and related policies and procedures. A huge thanks to Kate for undertaking this as it reflects the amazing efforts that go into keeping the hall fit for purpose, making continual improvements and giving it a reputation as a lovely venue suitable for many varied events and exceptional value.

A FEW WORDS FROM ME

Dear Friends,

September is here and we look forward once again to enjoying the colours of autumn all around us: the fruit trees heavy with fruit in our orchards and gardens', the leaves and seeds falling to the ground:

PARISH COUNCIL NEWS

Reminder to cut back hedges and trees to avoid causing obstructions

Please remember to trim your own private hedges and trees which overhang paths and roads to prevent them causing an obstruction. Overgrown hedges and trees can be a nuisance and a danger to others.

Next Parish Council Meeting

The next Parish Council meeting is to be held on 07 September 2022 at 7.00pm in the Village Hall.

Should you wish to report any concerns, make comments, or submit items for discussion at future meetings, please do not hesitate to contact Jennifer Hobson (Clerk) during office hours:

The July coffee morning was yet again a huge success with bacon butties always proving popular! We raised a record breaking £231.10!

The Strawberry Tea held on Wednesday 17th August was also a lovely event attracting a lot of familiar and new faces and raised another £250 pounds for the Village Hall Fund.

The monies raised go towards the ongoing improvement programme so a huge thank you to everyone for turning out once more and supporting us. It has been lovely to see so many family and friends and to welcome some of our new residents in the village.

We hope you will continue to support us and any suggestions for improvements moving forward will be gratefully accepted. If you have any ideas, please feel free to suggest them and share them, if we the committee don't know, we can't carry your input forwards!

Coffee Mornings are usually the second Saturday in the month and
