A few words from me....

First off, it might still be **Back to School Season** for you. This can be an exciting time or a frightening time. It's up to us, as parents and carers, to encourage our children, particularly if they are going to a new school. I know when I started with my sister at the Grammar School in a new town, how my knees shook and I wanted to run home. However, we persevered and although I wouldn't say it was the best time of my life, I got through it!!!

I had a good friend whose mother was such a great support and I never forgot how her help and encouragement was so valuable. I always tried to instil this into my children so they wouldn't have the fear I experienced.

Of course, as I got older, I began to pray that all would be well and that nothing would upset them or make them unhappy. I felt that the Lord was not just with them but with me also, that I would let them fight their own battles and stand strong against situations which they knew were wrong.

So, I pray that all our children keep well and happy as they return to school very soon. Remember mums and grans and carers, put your feet up if you can and re-charge your batteries..... until the next holiday!

With love,
Revd Barbara.

BURTON FLEMING HEDGEHOG NEWS

We have been releasing rescued hedgehogs back into the villages this past few weeks, so please ensure all feeding stations are replenished and water provided.

Hedgehog favourite Food

- Dried kitten biscuits - No fish flavour please (Kitten is easier for hoglets)
- Spikes semi moist hedgehog food
- Wet cat food in jelly - No fish flavour please
- Dried mealworms in very small amounts
- LOTS OF WATER!

If you see any hedgehogs out during the day, it usually means they are in distress, however it could be a nursing mother seeking food and water so please seek advise from either myself Ali (07734053699) or Jo Pickering (East Yorkshire Hedgehog Rescue) from Langtoft (07717552624) who rescues hedgehogs and rehabilitates them ready for release.
