A FEW WORDS FROM ME

Dear Friends

It seems hardly possible, but already summer is ebbing into autumn - one of my favourite seasons. Autumn is a season of abundance. Not only have the crops been harvested, but the hedgerows and woods are bursting with fruits of all kinds. Creation is resplendent with colours, smells, and tastes - enough to fill all our senses with delight.

As Christians, autumn is the time to give thanks to God for the beauty and generosity of His creation - for all that makes life possible and enjoyable. We have such a generous God, who gives us so much not simply to keep for ourselves, but also to share with others so that they might see something of him in our generous giving. It is the time to celebrate Harvest Thanksgiving. What gifts will we give to God to be used in the building of his kingdom and in recognition of the fact that all that we have comes from him? It might be your money earned using your God given talents (harvest is a good time to review our regular giving to the Church); it might be ourselves - making our time and talents available to God for use in the church and/or the wider community in recognition and thanksgiving that He first gave them to us. One way you might help is to share the 'opening and closing' of our lovely church. We are in desperate need of some kind souls to help us. You can help by taking a day a week or a week a month, to open about 10am and closing up at 4pm. You could share the day - someone to open and a friend to close. Please think about this & if you can help in any way, contact Pat Harvey. Thank you.

Have a lovely Autumn and enjoy the 'mellow fruitfulness' of God's creation.

With love, Revd Barbara

 The pop up pub nights are offering an opportunity to come together for a drink and a chat - we have a few more planned for the year.
 We are looking to put a timeline board up in the hallway with pictures from the beginning of the village hall build right through to date - anyone who has any photos please let us know and we will arrange to borrow them and have them copied so they can form part of the display.
 We are happy to receive suggestions for different events at the village hall and we will implement where possible. Thank you for your continued support.
